In the midst of a national nursing shortage, many nurses who want to work are being denied the opportunity. They are being pushed out of jobs and turned away from unfilled positions, all because they have disabilities.

Exceptional Nurse is a nonprofit 501 (c) 3 resource network committed to inclusion of people with disabilities in the nursing profession. By sharing information and resources, Exceptional Nurse hopes to facilitate inclusion of students with disabilities in nursing education programs and foster resilience and continued practice for nurses who are, or become, disabled.

The organization provides links to disability related organizations, equipment, technology, scholarships, mentors, employment opportunities, continuing education programs, newsletters and related articles.

The web site is maintained by Donna Maheady, Ed.D, ARNP, president and founder. Dr. Maheady is the author of "Leave No Nurse Behind: Nurses working with disabilities", "Nursing Students with Disabilities Change the Course" and numerous articles on disability related topics.

Proceeds from the sale of this calendar benefit the ExceptionalNurse.com scholarship program for nursing students with disabilities.

Let's try not to leave any nurse who can work and wants to work behind. The cost to society of underutilizing the hearts and minds of these professionals is staggering. Special thanks to all of the nurses and students who were willing to participate in this project.

Have a great year!
